**Self-Haul Permit General Requirements/ Provisions**

1. Self-haul permits shall be good for one calendar year and shall expire on December 31<sup>st</sup> each year. Permit may be renewed annually.
2. Permittee is responsible to notify the City of any change in vehicle used for self- hauling solid waste, and is responsible to provide current license, insurance, and registration documents on file with the City for the duration of the permit. No notification will be provided by the city. Failure to provide updated/current document will result in the revocation of the self-haul permit.
3. Permittee must separate and bag solid waste, recyclables, and organic waste.
4. Permittee must dispose of solid waste weekly at any licensed or permitted landfill or disposal facility and provide proof to the city monthly. Applicant shall procure and retain weekly receipts for disposal of all solid waste/recyclables/green waste which shall be submitted to the City on a quarterly basis as proof of disposal.
5. Permittee must adhere to SB 1383 recordkeeping requirements.
6. Permittee will be required to certify that no waste was generated during any period of vacation or vacancy. Certification as to periods of vacancy will be made by applicant on quarterly reporting documents. Disposal receipts may not be required during times of vacation or vacancy. There will be no refund of permit fees for periods of vacation/vacancy.
7. Permittee is liable for any damages and cleanup costs resulting from any solid waste, recycling, or green waste spilling, leaking, dripping, blowing scattering, or falling during the course of self-hauling activities.
8. The permit shall be subject to revocation if the permittee violates any provision of Eastvale’s Municipal Code Chapter 16 05
