INFORMATION SESSION

About UCR Extension

At UCR Extension, our customized training programs are designed to help you increase employee motivation, innovation, productivity and skills by providing a best practice approach to employee development tailored to your exact needs. We have an array of programs that are available to your training needs currently scheduled. Learn techniques to reduce waste through lean programs. Improve your working environment and increase productivity with leadership and team-building programs. Continuous improvement programs create ongoing results-driven organizational skills to build success today and tomorrow. Your company's unique situations can be matched to more than 100 training solutions developed by our industry experts.

To Qualify

Industries that may qualify for state-funded training:

- Manufacturing
- Health Care
- Logistics
- Warehousing
- Supply chain management
- Construction management
- Or, companies facing significant out-of-state competition

No Cost Training

Now is the time to ensure success in the upcoming year. *Your company may be eligible for no-cost training and employee development programs customized to meet your specific goals and objectives.*

Through a special allocation from the State of California, UC Riverside Extension can provide no-cost training to improve your workforce and train your employees in many areas. All training is customized to meet your specific needs and tailored to the needs of your employees participating in the program.

Popular UCR Extension courses that partners have taken advantage of include:

- Business Skills (Customer Service, Effective Sales, Productivity)
- Project Management (Essentials, Procurement, Quality & Risk, PMP Exam Prep, Agile)
- Lean Six Sigma
- Supervision & Leadership (Servant Leadership, Crucial Conversations, Managing High Performance Teams, Communicating Effectively)
- Microsoft Office Suite (Excel, PowerPoint, Word)
- English as a Second Language in the Workplace
- OSHA 10 & 30
- Construction Management
