

## Roadway Adoption Program

### Trash drop-off location instructions

The City of Eastvale has revised the Project Instructions & Safety Requirements for the Roadway Adoption Program. The requirements previously directed volunteer groups to pile collected trash bags at major street corners or designated locations. This requirement has been updated to direct groups to pile trash bags at one of the designated drop-off locations below; trash is not to be piled at major street corners.

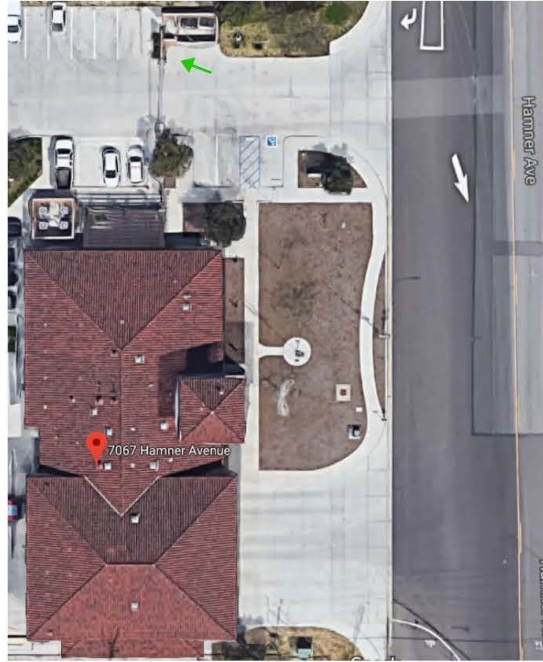

Trash drop-off locations identified by the City

- **Fire Station 27:** Located at 7067 Hamner Avenue in Eastvale. Trash bags are to be left outside of the trash bin gate
- **Fire Station 31:** Located at 14491 Chandler Street in Eastvale. Trash bags are to be left in front of trash bin doors.
- **The Citrus House:** Located at 13200 Citrus Street in Eastvale. Trash is to be left in front of the gate.

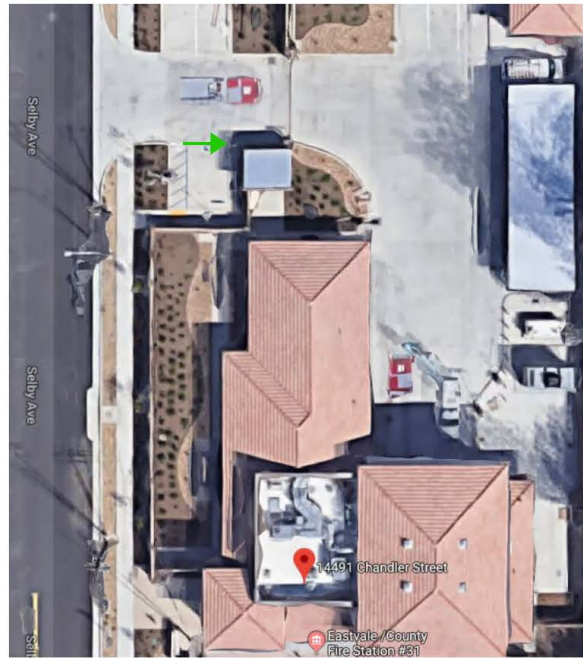

You may refer to the images below when visiting any drop-off location. Trash is to be left in the areas identified by each green arrow.
