The City of Eastvale's International Food Festival

EASTVALE, CALIF. – The City of Eastvale is excited to announce our largest, most culturally diverse event yet! Our first-ever International Food Festival will be held May 21, 2022, from 12:00 p.m. to 9:00 p.m. and May 22, 2022, from 12:00 p.m. to 8:00 p.m. on Scholar Avenue between Citrus Street and Baltimore Avenue.

With so many cultures and countries represented in Eastvale, we have the unique opportunity to sample the world's cuisine right in our own backyard. At this two-day event, we will welcome food, vendors, and entertainment that celebrate cultures from around the globe. The festival will also host children's activities, international beer and wine stations, public art displays, and much more.

We are excited to host 40 food vendors featuring exotic cuisines from around the world and numerous craft vendors selling items that represent the world's unique makeup. Mayor Clint Lorimore expressed his excitement for the event saying he's "proud of the City and can't wait to see the community come together to enjoy great food and entertainment."

To ensure the safety and well-being of all event guests, additional safety precautions are being taken including bag checks and metal detector screening upon entry. Additionally, please note that residents with a CCW will not be permitted to carry inside the event, and pets are not permitted in the event space unless they are registered service animals.

Admission and parking are FREE and detailed maps for the event and parking spaces will be released soon. We hope to see you May 21 and 22, 2022 on Scholar Avenue for this special event!
