Construction and Demolition (C&D) Waste Management Plan

The California Green Building Standards Code (Title 24, Part 11) requires building projects to divert at least 65% of construction and demolition (C&D) materials. Please complete the sections below to identify your C&D project, debris, and hauling methods. The completed form can be submitted to recycle@eastvaleca.gov.

Permit Number _____ Project Location Address _____

Applicant Contact Name _____ Phone / E-mail _____

Estimated Start Date _____ Estimated Completion Date _____

Please select the hauling method you intend to use for the project:

Waste Management

Self-haul C&D debris to an authorized C&D recycling facility

- Account number: _____
- Attach copy of work order or supporting document
- Attach Copy of vehicle registration

Per the City's Franchise Hauler Agreement, all hauling resulting from construction or demolition activities may only be self-hauled or hauled by Waste Management. To arrange for hauling services through Waste Management, please contact (800) 423-9986.

Please select all applicable C&D debris that may be generated by your project:
