

**Cleaning out your closet???**

# **Recycle Your Shoes Help the Roosevelt Water Polo Teams**

**Let the Eleanor Roosevelt High School Boys Water Polo team help take some of the clutter off your hands!**

ERHS Boys Water Polo Booster is hosting a shoe drive to purchase new equipment for the pool. We are collecting gently used tennis shoes, boots and dress shoes of all styles and sizes (in pairs) to be refurbished for reuse in areas across Southern California. Each player is trying to do his part by collecting at least 100 pair of shoes. We are asking that you, your friends and neighbors, empty your closet and/or storage spaces of unwanted pairs of shoes.

You may contact Lisa Loffelmacher at [mustangswaterpolo@yahoo.com](mailto:mustangswaterpolo@yahoo.com) to arrange for drop off times and locations or to arrange for a parent/player to pick up your donation from you!

## **Having a garage sale??**

Let us know and at the end of the day, we can come pick up any unsold pairs of shoes!

## **Contact a Player:**
