

General Event Information

Due to the popularity and continued growth of Picnic In The Park, safety concerns expressed by the Riverside County Sheriff Department and Cal Fire were considered when recommendations were made to move the event. With approval by the JCSD Parks and Landscaping/ Graffiti committee meeting on April 18, the event was moved to Eastvale Community Park to address crowd control, traffic and safety concerns. This year JCSD expects that approximately 15,000 participants will enjoy the Picnic in the Park event. Eastvale Community Park provides more parking spaces, additional acreage for expanded carnival rides, games, food and craft vendors and spectator seating for optimal viewing of the fireworks display.
