General Plan Amendment Flowchart for Planning Department Review

^{*} This timeline shows the average processing time for a relatively simple project, and assumes timely response by the applicant to comments and requests. More complex projects, or those which require the preparation of extensive environmental documents, will take more time to process. Eastvale Planning always endeavors to process projects as quickly as possible, but the City does not guarantee processing times.

^{**} The City of Eastvale consider General Plan Amendments on a quarterly cycle during the first City Council meeting in March, June, September, and December of each year.
